Dear Ms. Shaw:

Thank you for contacting Community Unit School District 200 with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq.

On June 28, 2016, you requested the following documents:

How much money has CUSD 200 spent on celebrations for the adults (not students) in the past three years? (July 1, 2013 to June 30, 2016).

Please provide:

All paperwork including attendee list/count, invoices and documentation for reimbursements for staff/adult celebrations that CUSD 200 paid for. This should include (but not limited to) all retirement, showers, welcome back parties be they dinners, breakfast, brunch, lunch, cake or other refreshments. Include any refreshments served at CUSD 200 board meetings.

Also include any gifts that were given to any employee or school board member for any reason.

In our telephone conversation on June 29, 2016, you narrowed your request to exclude documents from specific schools and identified specified information related to District wide events. Also noted, refreshments served at school board meeting at the various schools are provided by the local school's PTA or booster group and not subsidized by the District.

Your request is granted. Please be advised that the enclosed documents include redactions to exclude private information which is exempt from disclosure under FOIA Section 7 (1)(b).

We have enclosed copies of the documents that you requested with the above noted redactions.

The name of the person responsible for redaction of the exempt information is the undersigned. You may ask the PAC to review this decision concerning your records request, by submitting a Request for Review to the PAC by electronic mail or U.S. Mail within 60 days after this response. A request for Review by the PAC should be directed to:
